STRATEGY FOR RESTORATION OF POWER TO THE PEOPLE

Following your telephone request for strategy to ensure effective and orderly transfer of power to the people, His Excellency and Ambazonian Head of State convoked an extraordinary session of the Tactical Committee which has set out strategy for your consideration as follows:

NAME:

Your conference is not a conference of opposition parties, but of RESTORATION PARTIES. Opposition parties oppose a legitimate government. But as the regime we want to bring down is illegal, unconstitutional and totally illegitimate, our parties are out to RESTORE LEGITIMATE, CONSTITUTIONAL AND A LEGAL REGIME IN PLACE OF THIS ILLEGITIMATE REGIME OF OUTLAWS AND BANDITS-SWINDLERS.

In political parlance, this is a RESTORATION MOVEMENT to which each group adheres. The opposition parties tend to exclude persons who are in the regime or armed forces and civil servants and students, who are all yearning for the restoration.

Here is the step by step mechanism!

1) If you say you have the support of the masses, then it should be easy for you to get the masses to PICKET THE HOMES OF DEPUTIES AND PREVENT THEM FROM ATTENDING BIYA's **SUICIDE-PARLIAMENT**.

The parliamentary session is suicide because Biya is asking them to come and give him power to cut short their mandates, and you go for new elections which, they are sure to use much money and still lose the elections, only because Biya wants to avoid a Constituent Assembly, which will oust him from power.

Instead of letting Biya sacrifice them, they should BOYCOTT YAOUNDE'S SUICIDE-PARLIAMENT AND BECOME THE NUCLEUS OF THE PEOPLES CONSTITUENT ASSEMBLY.

2) The very day on which the BOYCOTT takes effect, that day makes the legal end of the Yaounde Regime and an automatic end to the present constitution.

3) By putting an end to the present constitution, we automatically bring into force the respective constitutions of old, that is to say, the authentic constitution of La Republique du Cameroun of February 21, 1960 (**Note that that of Ambazonia of October 1, 1960 has already come into effect following the Proclamation Formalizing the Ambazonian Independence, in 1990 at the United Nations**)

4) Please take note that once Ambazonia alone BOYCOTTS Yaounde Parliament, that is enough to legally annul the present constitution which is supposed to be for ruling the two countries as **one (UNIE)**. SO we would advice that you concentrate on making the Ambazonians BOYCOTT totally effective, and that is all we need.

5) The next step is to convene a Constituent Assembly for each country to act as the interim parliament. The present MPs and all such important personalities and leaders of public opinion are to constitute the Peoples Constituent Assembly. **The Assembly elects a chairman who becomes the interim Speaker, and Convener of the Assembly names a person to become the interim Prime Minister, and then set up an interim government in line with the constitution of the respective country**

6) Naturally the convener of the Assembly will act as the interim head of that State. /**1

7) In the case of Ambazonia, the Ambazonian Head of State is already known, but in the case of La Republique du Cameroon, there is no such visible leader outside Paul Biya. And so it has been agreed that the

Ambazonia Head of State would also be the one to convene the Constituent Assembly of la Republique du Cameroun.

8) The interim administration of each state is to nominate persons to represent that state in the Confederal Commission which is to work out powers to be transferred to the Confederal Authorities.

9) It follows from this that the Ambazonian head of State would in the interim act as the Head of the Confederation till procedure for electing one is agreed. Although Ambazonians are insisting their boys in the armed forces immediately constitute the Ambazonian forces of security, some arrangement could be made to enable the interim Confederal Head also be Interim Commander-in-Chief of the Confederal Armed forces.

10) If this PEACEFUL AND ORDERLY STRATEGY is not followed, the transformation from this situation into the New Social Order could be chaotic and bloody and some foreign inspired coup could put an abrupt end to all that we have achieved so far.

11) If the Restoration Conference adopts this strategy and a memorandum of this is faxed here, inviting His Royal Excellency to be physically present at home, arrangement would be made for him to hand the U.N. engagement over to someone else and fly home to you.

Thank you and God be with you all!
